ADDITIONAL INFORMATION

Please give full details here for any shaded boxes you have ticked in answer to the questions on this proposal.

DECLARATION

The attention of the Proposer is drawn to the necessity to disclose all material facts which are likely to influence the acceptance and assessment of the risk by the Society. A material fact is one that would influence the Society in arriving at a decision to accept or decline this proposal or charge premium at a non-standard rate. If the proposer is in any doubt about the facts being considered material, he/she must disclose them in the Additional Information Section.

I/we declare that the answers and statements given are true to the best of my/our knowledge and that I/we have withheld no information whatever regarding this proposal. I/we agree that the answers given, as well as any proposal or statement made in writing by me/us or any other person acting on my/our behalf, shall form the basis of the Contract between myself/ourselves and the Society and I/we further agree to accept indemnity subject to the conditions in and endorsed on the Society's policy.
