LA FRATERNELLE MUTUAL FIRE INSURANCE SOCIETY

ESTABLISHED 1822

REVISED 2024

Please note that if you are reading a paper copy of this document the most up to date version can be found on our website

Welcome to La Fraternelle

This is your Policy Booklet. We will insure you during the Period of Insurance in line with the terms set out in your Policy, in return for your payment of the premium and us accepting it.

Please read this policy and your schedule of cover carefully. You should pay particular attention to the Conditions and Exclusions. If they do not meet your needs, please tell us immediately and return them to us as soon as possible.

The contract has been based on the answers you gave us on your proposal form and the declaration you signed. You must tell us of any change in this information as soon as possible since failure to do so could invalidate your Policy. You should not wait until the next renewal date.

Cover will continue after the Renewal Date shown in the Master Schedule for any period for which we accept your renewal premium.

The Policy sets out all the circumstances in which you can make a claim - you cannot claim in any other circumstances. Whilst our cover is wide, it is not a maintenance contract and does not protect you or your household against every loss, e.g. where the only damage is wear, tear or deterioration - no insurance policy does.

This contract and the relationship between us and you shall be governed by, and interpreted in accordance with the laws of the Bailiwick of Guernsey.

David Le Poidevin
Managing Director, La Fraternelle Mutual Fire Insurance Society

Note: The issuing of a policy from us to you makes you a member of La Fraternelle Mutual Fire Insurance Society on the terms of the Society's Rules. These are included at the rear of this policy booklet.

Remember to insure your property for its replacement value and NOT for the purchase amount.

When loss/damage occurs, there are two insurers, namely:

The insurance company, and

The Insured as his/her own insurer.

EXAMPLE:

Value of property	GBP 250,000
Sum insured	GBP 200,000
Difference (as his/her own insurer)	GBP 50,000

In the event of a net loss or damage of GBP 10,000 (after the excess has been applied), each of the "Insurers" contributions are as follows:

INSURANCE COMPANY

$GBP\ 200,000 / GBP\ 250,000 \times GBP\ 10,000 = GBP\ 8,000$

INSURED
